

Re-development plans for Globe Sports

Globe Sports, the local specialist cricket store, wish to relocate from their current premises on Jacob's Well Road. The existing building is no longer suitable for retail purposes and parts of it are beyond their useful life. As a result new redevelopment proposals are being considered.

You are invited to find out more.

There will be a display of the current designs at Globe Sports between 17.30 and 19.30 on Tuesday December 8th 2009

Members of the design team will be on hand to answer questions and there will be the opportunity to comment upon the proposals.
